# FROM THE CHIEF

Mayor Hardman  
City Council members,  
Citizens of Sharonville,

It is with great pride that I submit the Sharonville Police Department's Annual Report for 2016. I would like to begin by recognizing the men and women of our agency for their unwavering professionalism and commitment to protecting and serving and caring about our community. It is this dedication that sets our department apart from most as a preeminent agency in the region. Compiled in this report are key statistics detailing your department's activity in 2016, as well as short summaries regarding services and notable events.

Throughout the year we continued to use the recommendations of the Ohio Collaborative Community –Police Advisory Board formed by Governor Kasich to guide our efforts. Additionally we review reports published from high profile incidents throughout our country and federal guidelines created for other agencies. This information is of great importance to us as we look at our services and the systems within our agency.

In 2016, we placed great emphasis in our department in crisis intervention and de-escalation training. Highlights of these efforts were seen in the amazing in house training for Blue Courage, a program which focuses on the nobility of policing, and the focus on being guardians of our communities. We also sent many of our officers to Emotional Survival for Law Enforcement training, which is another course focusing on officer wellness. We hosted Crisis Intervention Team training, as well as multiple Mental Health First Aid classes which one of our officers co-instructed with someone from Mental Health America. All of these programs are extremely timely and valuable to the health and growth of our team members and the service we provide.

As part of our responsibility to the people living, working, and visiting Sharonville, many ideas new to Sharonville officers have been implemented over the past several years to improve the police culture, to embrace a guardian mindset, and reinvigorate public trust and police legitimacy. These actions have put us ahead of the federal and state mandates in most areas ensuring we will meet the new standards of policing.

I want to thank the citizens of Sharonville, our elected officials, and city administration for providing us with the guidance and resources to accomplish our mission. I would also like to thank our employees for their commitment to provide the highest level of professional police services that promote a safe and secure community.

Respectfully,

A handwritten signature in blue ink, likely of the Chief of Police, written in a cursive style.

# TRAINING

## LEADERSHIP DEVELOPMENT: 2 FIRST LINE SUPERVISORS

In 2016, we again sent two first line supervisors to attend Supervisor Training and Education Program (STEP), a three month program covering 19 learning modules where supervisory and management theory is translated into professional practice. 13 In-class sessions are interactive discussions with the instructors using lecture, breakout teams and case studies. Participants are asked to bring their specific immediate issue or question to class. Instructors will give selected read/think or write/think out-of-class assignments.

Sgt. Griffith and Clerk Supervisor Williams

## CRISIS INTERVENTION TEAM TRAINING: 8 OFFICERS IN 2016 27 OFFICERS TO DATE

Since 1988, NAMI and local and state organizations have partnered with law enforcement on Crisis Intervention Team (CIT) programs, which help law enforcement cope with difficult calls for service and increase safety in these situations. In 2016 we hosted a CIT training class, and we were able to send an additional 8 officers to training.. This brought the number of CIT trained personnel to 27.

## CONTINUAL PROFESSIONAL TRAINING: STATE MANDATE

In 2016, every peace officer was mandated to complete 11 hours of CPT. The training must serve a recognized law enforcement purpose, and have significant intellectual or practical content, the primary objective of which shall be to improve a participant's professional competence as a peace officer. Officers must take training on the below critical subjects as selected by Attorney General from recommendations of his Advisory Group on Law Enforcement Training and course content must receive approval from the Ohio Peace Officer Training Council. Topics covered are: Community-Police Relations , Crisis De-escalation with Focus on Mental Illness, Constitutional Use of Force, and Human Trafficking.

# BLUE COURAGE TRAINING

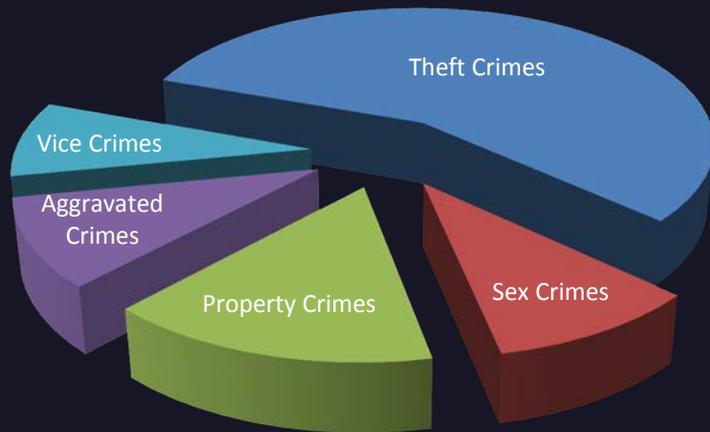

In 2016, our department's commitment to the growth and transformation of our police culture took a giant leap forward when every available member of the department participated in two days of Blue Courage. This training, introspective and character forming; was led by Officers Dudleson and Caplinger.

The tenants of Blue Courage represent the noblest ideas and values of our profession. Our commitment to these ideas reaffirms our commitment to Professionalism, Responsibility, Integrity, and Dedication to Excellence in delivering police services to the Sharonville community. Our employees have PRIDE in our department and our community. This training helps us further realize our role and place amid our profession and community.

*Blue Courage is a way of being, A philosophy that inspires one to  
Embody the noblest of character And unquestioned devotion.  
It is to flourish in all aspects of life, To act with practical wisdom,  
To exude vitality, and To hearten human connections.*

## SIGNIFICANT CASES

- **16-4416- Fatal Auto Accident- N/B I-75 onto E. Kemper Rd.** Suspect lied to police about who was driving and was later interviewed and confessed to driving the car and being under the influence of multiple drugs. Suspect was indicted and pled guilty to Aggravated Vehicular Homicide and agreed to 1½ years in prison.
- **16-10537- Attempt Murder/Felonious Assault-** victim was shot multiple times by two suspects during a drug deal/robbery gone bad. Three suspects were identified and all have been arrested and charged in this case. The two suspects that met with our victim, were both 17 years old at the time of the shooting and both have since turned 18 years old. Court cases are still pending in order to bind them over as adults.
- **16-15699- Felony Lane Gang Arrests-** officers arrested six (6) suspects involved in possession of stolen checks, ID's and credit cards. All six suspects were from Florida and were involved in breaking into cars and stealing checkbooks, ID's and credit cards. All six suspects were indicted in Hamilton County on sixty four (64) counts each for theft, receiving stolen property, criminal tools and ID theft. One of the suspect has provided additional details about the gang and their criminal activities.

# COMMUNITY SERVICE

- Our youth programs include the DARE curriculum for 5<sup>th</sup>/6<sup>th</sup> graders at our three elementary schools. Our officers also teach a “Home Alone” class for school aged children, which is presented at the Sharonville Community Center. We have a Jr. CSI program as well as a Jr. Police Academy. Again, these programs target our elementary age students. Officers also instruct classes at our local child care facilities, covering topics such as bullying, internet safety, and basic environmental awareness. Each summer our officers team up with the summer camp program at our community center offering a week of “Safety Camp”. This program reaches 60-65 kids throughout the week.
- We have a team of ALICE instructors that teach active shooter training to the Princeton School District, Scarlet Oaks Vocational School, as well as a number of local businesses and churches (approximately 13 training sessions completed in 2016).
- Officers teach classes on alcohol and drug awareness at the local nursing schools, distracted driving presentations for businesses, women’s self-defense classes at the Community Center, VFW and the public library.

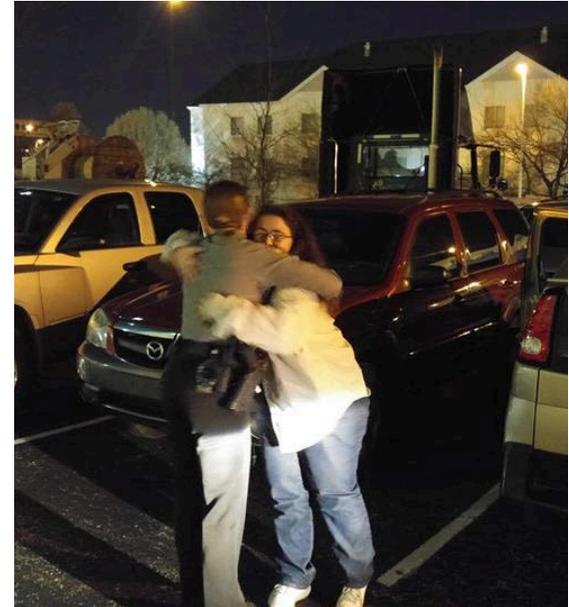

# COMMUNITY SERVICE

- **Officer Cheryl Price co-facilitates Mental Health First Aid classes with an instructor from Mental Health America. These classes are held locally and targets local LE and the general public with the purpose to strengthen community ties while educating individuals about mental illness.**
- **We provide security assessments for our local businesses to review safety and security, discuss workplace violence policy, and general education regarding police response. This is a separate program from ALICE/active shooter training.**
- **Officers interact with the Sharonville Chamber of Commerce by attending their “After Hours” meetings, which occur monthly. This allows officers to meet and interact with various employees from local businesses in a non-law enforcement capacity.**
- **Officers provide tours of the police department for the local boy/girl scout troops, developmentally disabled adults, emotionally disturbed elementary students, and home schooled groups.**
- **Officers participate in community outreach events such as Touch a Truck, Ford Family Days, Halloween events, and other events that local businesses sponsor.**

# COMMUNITY SERVICE

- Our department participates in the National Prescription Take Back campaign twice annually. This campaign encourages residents to drop off unused or expired prescription medications. This campaign allows officers to interact with citizens while removing unnecessary medications from the home.
- Officers participate in the “Shop with a Cop” program. This program encourages officers to interact with businesses in order to raise money for the event. It also allows officers to interact with local students in need during the holiday season. The officers spend approximately 6 hours with the students shopping for gifts and needed items. Over the years, this program has built strong ties with local families in need.
- SPD is a member of the Latino Coalition of Southwest Ohio. Officers attend meetings and participate in the annual Latino Expo.
- Officers attend the College and Career Event at Princeton High School. This is an opportunity to educate and recruit students about a career in law enforcement. Princeton City School District is a very diverse community serving 40% black/non-Hispanic, 26% white/non-Hispanic, 24% Hispanic, 3% Asian or Pacific Islander, and 7% other.  
(Ohio Dept. of Education, 2014-15 Report Card).
