Student Government Day

On Tuesday, April 26th Sharonville high school students participated in Student Government Day. They began with meeting Elected Officials the night before at the Sharonville Convention Center over dinner followed by a tour. They spent Tuesday touring city buildings and hearing how each of our departments function.

The event concluded with the opportunity to run a Mock Council meeting. They debated a mock ordinance and two resolutions. It was a great learning opportunity about local government and fun was had by all!

Gorman Park Makes a Splash!!!

Come and enjoy all Gorman Park has to offer. The first phase of the renovation is complete and you must check it out! There is new playground equipment, open green space and a SPLASH PAD! The splash pad will open May 16th. It is free and open to all. The new amenity is sure to delight kids and parents so make sure to take the kids to run and play. Additionally, there is plenty of accessible parking in the new parking lot.

Another new amenity is a shelter that is available for rentals May 1 – September 30 by calling 513-563-2895. More is in store at the park with phase two well underway. The old schoolhouse and pool have been demolished to make way for more exciting amenities and attractions that residents are sure to enjoy.
