## Investment Coming to our Lebanon Road Corridor

Businesses are investing and expanding their storefronts along Lebanon Road! Tire Discounters has purchased the old gas station property next door and will repurpose it for automobile windshield repair.

And what was once a gas station near I-275 is now a brand-new Popeye's! The grand opening is Wednesday, September 14th.

El Rancho Grande has bought the vacant property next door and will expand and upgrade the restaurant to include a second floor, a large patio, and expanded parking. The Sharonville location was their first restaurant and they want to make it the flagship store once again!

Businesses recognize the viability and location Sharonville has to offer and continue to invest. ***That's the Sharonville Advantage!***

## Kemper Sidewalk Project

Another connectivity project is complete! A new sidewalk runs along the north side of Kemper Road connecting Sharon Woods Park Harbor entrance to UDF. Now you can have park fun and ice cream too!

## Aquatics Hours Update

The pool will close Friday, August 5 at 4pm and reopen at 5pm for the Family Splash Bash. The pool is closed August 11 & 12. For August 13 - September 15, pool hours are:

Weekend Hours: 11am-8pm  
Weekday Hours (T-F): 4:30pm-8pm

## Downtown Loop Streetscape

Given rising construction costs and market fluctuations, the first phase of the Loop Streetscape plan had to be rebid. A contract will be awarded this month, and we will soon have a construction timeline to share!
